## Relevance

The AFEC 2024 aimed to align with the overarching theme of APEC 2024: Empower, Include, Grow. By embracing diverse perspectives, the AFEC is instrumental in contributing to a more inclusive and sustainable future of education. This project also contributes to the achievement of the APEC Education Strategy by accelerating innovation, one of its main pillars.

The goals of AFEC align with the HRDWG objectives, which are:

- ① Develop 21st-century knowledge and skills for all
- ② Integrate human resources development into the global economy; and
- ③ Address the social dimensions of globalization.

## Objectives

The project aimed to achieve three primary objectives: (i) to share innovative future-oriented educational policies and practices in the APEC region, (ii) to explore the vision of future education and materialize the ideal model of future schools, and (iii) to draw recommendations for shaping better, inclusive, and sustainable future education.

2. 2024 ASSET (APEC Sustainable Social Entrepreneurship Training)

- **APLC (Gong Hoojae):** Published a manual for international school exchanges aimed at providing straightforward guidelines for beginners and contributing to sustainable international exchange.
- **ASSET (Park Yewon, Kandias Kusnadi, Hwang Chi-sheng):** 20 university students from 6 APEC member economies participated in the program from May to September, effectively enhancing their core competencies and 21st-century entrepreneurship skills. The winning team (Team B) developed their own business plan called ‘SEEDU,’ an SDG-focused education solution provider.

■ **“The Evolution of Leaders for Developing Global Talent in the Digital Age: ASLP”**

\* ASLP (APEC School Leadership Program) is a capacity-building project designed to empower school leaders with the skills and knowledge to drive innovation and foster education cooperation in the APEC region.

1. 2023 ASLP (APEC School Leadership Program)
2. 2024 ASLP (APEC School Leadership Program) – 1
3. 2024 ASLP (APEC School Leadership Program) – 2

- 2023 ASLP (Dessy Pratiwi): Shared experience of the training workshop, impressions, its impacts, and follow-up dissemination activities implemented in Indonesia since 2023.
- 2024 ASLP (Han Youngkoo): Presented the training contents and overview of the APEC School Leadership Program 2024 and a future plan for school innovation.
- 2024 ASLP (Chantana Pasganon): Shared insights from the ASLP 2024, along with reflections on the training program and post-training activities for dissemination in Thailand.

■ **“Talk Concert: ALCoB; Preparing for the International Stage of Tomorrow (APEC 2025)”**

- **(Moderator) Mr. Im Hyunbin**, Teacher, Seoul Technical High School, Korea
- **(Panelists) Ms. Kang Minhee**, English Teacher, Shanghai Korean School, Korea / **Ms. Imelda D. Espiritu**, Master Teacher II, Benguet National High School, the Philippines / **Ms. Chang Hui-En**, Student in Dentistry, Chung Shan Medical University / **Ms. Dessy Pratiwi**, Principal, Dharma Loka Senior High School, Indonesia

- As ALCoB members, each panelist shared respective experiences and ideas to improve APEC Education Cooperation Projects (ACE, APEX, ASLP, ASSET) in the future.
- **ALCoB Cooperative Exchange program (ACE):** Group projects or regular cross-economy brainstorming sessions are suggested to strengthen partnerships and spark more creative ideas. Additionally, providing professional development workshops tailored to teachers' specific needs and improving the online platform would be helpful.
- **ALCoB Program for Educators' eXchange (APEX):** brings together educators from diverse economies to share best practices, innovative teaching strategies, and cultural insights and reach the professional development of teachers. Learning from others is vital for shaping a resilient and sustainable future.
- **APEC School Leadership Program (ASLP):** encourages participants to promote international educational cooperation and fosters a transformative mindset.
- **APEC Sustainable Social Entrepreneurship Training (ASSET):** provides a great opportunity to learn about and implement social enterprises. It also offers networking opportunities for students and serves as a unique experience for their future careers.

# Outcomes and Achievements

## 1. Expansion of Participating Member Economies

In addition to the key member economies that actively engage in the AFEC every year (Indonesia; Malaysia; the Philippines; Chinese Taipei; and Thailand), representatives from the APEC Coordinator (China), Australia; and Japan also attended. They expressed support for the initiative and discussed future cooperation plans.

※ (SC meeting) 13 participants from 6 economies in 2023 → 26 participants from 9 economies in 2024.

## 2. Sharing the Agenda for 2025 APEC Korea

The Vice Minister of Education introduced the key agenda and goals of the APEC Education Ministerial Meeting (AEMM) in 2025, encouraging active participation and support from member economies.

※ Representatives from Australia; Chinese Taipei; and the APEC Coordinator expressed their support for APEC's themes and goals and shared their expectations.

## 3. Expanding International Cooperation

Following the successful co-hosting with Thailand (the first in six years since the co-hosting with the Philippines in 2018), discussions were held on co-hosting with Chinese Taipei in 2026, aiming to strengthen cooperation among member economies.

## 4. Enhancing Face-to-Face Networking

With the first fully in-person event since the pandemic, the program maximized networking and cooperation opportunities by hosting a variety of panel discussions and presentations by policymakers, international organizations, and educators.

## 5. Discussing ALCoB's Future Direction

After showcasing best practices from the two-year (2023-2024) initiatives, an ALCoB Talk Concert was held to discuss the future direction of ALCoB activities and explore sustainable cooperation strategies.
